

SOLE SOURCE LETTER

To Whom It May Concern:

The National Neighborhood Watch Institute is the **SOLE SOURCE** for nearly all the items in our web site and our catalog.

We hold the registered trademark for the **Masked Bad Guy** with the US Patent and Trademark Office.

We hold service mark protection for the phrase “We Look Out For Each Other!”. Our handbooks are registered with the Library of Congress and have full Copyright protection on them. Our worksheets are copyright protected.

The **Neighborhood Scene** is our copyrighted art, as are the designs of all our signs, decals, labels, catalogs and every piece of printing which we use to market our product - both in print form and electronically on our web site.

We have never authorized their use for commercial purposes by any other firm.

We have been licensed by the National Sheriffs’ Association to use their trademarked “**Boris the Burglar**” design and their service mark and this fact is so noted on our catalog and order forms. They do offer a line of materials in their National Neighborhood Watch Program which is limited to their mark. Our products are not similar.

The **Blue Eye** materials in our catalog are copyrighted by us. The Blue Eye design we use was our own creation and it has been in use by our parent company, InterPrint Corporation, since the early 1980s. InterPrint was incorporated in 1973. We believe a similar design was in use in the upper mid-west since that time but its use is in common domain, not being protected by trademark registration

For tax withholding purposes, we are a California corporation with our Federal Tax Number (FTN) 95-2859371 appearing on all our order forms at the bottom of the form. Our mailing address is PO Box 4208, Santa Fe Springs, CA 90670-1208.

Our FTN and mailing address have been unchanged at least the past 35 years.

George L. Grossman
Executive Director
