Ideally, engrave your property in two locations: One obvious and one hidden. Engrave on solid components, not those that are easily replaced.	
Keep one copy of this record in a safe place.	
Keep one copy readily accessible so you can provide immediate information to your police or sheriff if necessary.	
If you want to sell your engraved property, draw a single line through the number. Suggest to the new owner they engrave the property also. If the original number is obliterated, the assumption will be made that it	
is stolen if picked up by law
